No. 3371/A8/2018/KSBB

30.11.2018

Expression of Interest (EoI)

Impact of floods/ landslides on Biodiversity

Expression of interest is invited from organizations having experience in the field of biodiversity survey and bio-resource mapping in the following areas.

Impact of Floods/Landslides on Biodiversity and evaluating the change in the Ecosystem / Biodiversity in the following areas

1. Attapadi
2. Athirappally
3. Nellyampathy

The organization is expected to develop a standardized methodology and conduct the assessment within a stipulated time frame of 3 months. The team should visit the prioritized project location to collect necessary information and will be in constant coordination with appropriate research institutes for collecting and reviewing necessary data. The report should include the baseline condition and the impact of natural disasters such as floods/ landslides on the ecosystems/ species and also strategies and action plan for rejuvenation of ecosystem/ conservation of species. The interested organizations are requested to submit the EoI along with necessary documents related to profile of the agency, work experience, detailed project report and estimated budget within 05/12/2018. Applications must be addressed to The Member Secretary, Kerala State Biodiversity Board L-14, Jai Nagar, Medical College P.O. Thiruvananthapuram – 695011.
