Expression of Interest (EoI)

**EX-SITU CONSERVATORIES OF RED LISTED PLANT SPECIES**

Expression of interest is invited from R & D Institutions/Universities/ Academic institutions and other reputed Government and non-government institutions having experience in the field of conservation of biodiversity for establishing *Ex-situ* conservatories of red listed species in their area

**Project Title:** *Ex-situ* Conservatories of Red listed plant species

The organization is expected to develop *ex-situ* conservatories of priority plant species (Threatened species) by the financial support of KSBB, as botanical garden, nurseries or as seed bank for an essential backup solution and also to propagate effectively to develop conservatories of these species. The expected outcome of the project is to conserve the red listed plants of Kerala in different districts. The organization should establish the conservatories in their campus. The tenure of the project is one year. Interested organizations are requested to submit the Expression of Interest (EoI) along with necessary documents related to profile of the agency, work experience with a concept note and budget on or before **20.09.2023**. Applications must be addressed to The Member Secretary, Kerala State Biodiversity Board. For more details, visit website [www.keralabiodiversity.org](http://www.keralabiodiversity.org)

For more details, contact Phone: 0471 2724740.

  
**Dr. C. George Thomas**  
Chairman
