A Statutory and Autonomous body, Government of Kerala

No.KSBB/57/2026-TA(WS)

Date: 14-09-2026

Expression of Interest (EoI) for Establishing Keralam River Museum as an Interpretation Centre at Biodiversity Museum, Vallakkadavu

The Keralam State Biodiversity Board (KSBB) invites Expressions of Interest (EoI) from reputed Government institutions, autonomous institutions under the Government of Kerala, and other eligible agencies/organizations for the design, development, fabrication, installation and commissioning of the Keralam River Museum and Interpretation Centre at the Keralam State Biodiversity Museum, Vallakkadavu, Thiruvananthapuram.

The scope of work shall include preparation of a Detailed Project Report (DPR), conceptual design, scientific and thematic content development, detailed design, technical specifications, detailed cost estimate, fabrication, installation and commissioning of the proposed Keralam River Museum/ Interpretation Centre.

Components of the Proposed River Museum

The proposed River Museum will showcase the ecological, geographical, cultural and social significance of Kerala's 44 rivers, with emphasis on freshwater biodiversity and conservation. The major components include;

1. Sensor-based interactive 3D map of Kerala's 44 rivers linked to a video wall.
2. River-wise portable digital information panels covering Kerala's 44 rivers.
3. Development and integration of 44 Trilingual (Malayalam, English and Tamil) short audio-visual presentations/videos.
4. Electrical, audiovisual, software, networking and related installation works.
5. Testing, commissioning, operator training, documentation and Annual Maintenance Contract (AMC) for minimum 3 years.
6. Beautification of the pond surroundings of the museum, including provision of visitor amenities, development of thematic features, and installation of protective netting to prevent the entry of birds into the museum.

The DPR shall include an overall site plan and detailed project proposal for the Museum/Interpretation Centre, demonstrating the expertise and experience of the participating institution/agency in the relevant field. The proposal shall cover beautification of the surrounding area, visitor amenities, thematic features, detailed drawings, technical

specifications, electrical and digital requirements, item-wise cost estimates, and an implementation schedule. The proposal shall ensure that the existing pond within the museum compound, natural drainage systems, and flood-water flow are retained and protected without causing any adverse impact.

Interested agencies shall submit their organisation profile, relevant experience in this field, proposed methodology, team composition, work plan, and financial proposal to the Keralam State Biodiversity Board within the prescribed time.

Last Date: Within 15 days from the date of notification, Time: 5.00 PM

Submission: Via Email and Hard Copy

Hard Copy shall be sent to,

The Member Secretary

Keralam State Biodiversity Board (KSBB)

“Kailasam”, T.C. 24/3219, No. 43,

Belhaven Gardens, Kowdiar P.O.,

Thiruvananthapuram – 695003, Kerala, India. Phone: 0471-2724740

Email: keralabiodiversity@gmail.com

The agency/institution for undertaking the work will be selected based on the recommendations of the Expert Technical Committee and approval of KSBB.

Member Secretary (i/c)
