# Birds

The winged beauties around us

Online Training for Biodiversity Clubs

Kerala State Biodiversity Board

## Online Training for Biodiversity Clubs

KSBB is organizing several programs for the strengthening of Biodiversity clubs across the state. As part of this, a monthly online training program started for Biodiversity club coordinators, in June 2023. Expert talks in various subjects pertaining to biodiversity conservation are being discussed in the training program.

November Month Online Training for Biodiversity Clubs is in the subject area of 'Birds-The winged beauties around us'.
