

## KERALA STATE BIODIVERSITY BOARD

**Shortlisted candidates selected for the ‘Youth Ideation Challenge’ based on the novelty, contemporaneity, biodiversity component and quality of their solution suggested**

### Shortlisted candidates

The following candidates were shortlisted under each theme of ‘Youth Ideation Challenge’ for submission of detailed proposals.

### Forest Biodiversity

Sl.No.	Name	Sub Theme
1	V.Sabarinath	Automatic bird sound detection in long real-field recordings
2	Megha N Rajesh	AI enabled wild animal detection and Hazard signalling system
3	Deepak Krishna C	Innovative solutions to manage human wildlife conflict
4	Niranjani T B	Reduce the carbon foot print of cities
5	Angela Elizabeth John	Innovative ideas to manage human wildlife conflict
6	Chada Narasimha Reddy	Innovative solutions to manage human-wild life conflict
7	Gopika M	Forest Biodiversity
8	Aswin C	Forest Biodiversity
9	Husna Nazeer	Expansion of Urban Green Areas
10	Kavya V Gopal	Human wildlife conflict

**Note: Selected candidates have to submit the detailed proposals and two minutes video as per the notification (attached) on or before 05.02.2024 through Email: [keralabiodiversity@gmail.com](mailto:keralabiodiversity@gmail.com).**

### Agrobiodiversity

Sl.No.	Name	Sub Theme
1	Anu Maria Joseph	Innovative eco-friendly packing solutions for agriculture produce
2	Cibi.R	Recycling of feed stock to cellulose based-super absorbent biopolymer for diaper synthesis
3	Susan Joshy	Waste to wealth
4	Aashima Rahim	Solution for increase of Shelf life of produce
5	Adarsh S.	Innovative value added products from agricultural/ food waste
6	Sooraj J S	One district one bioresource
7	Athira N S	Innovative eco-friendly packing solutions for agriculture produce
8	Anagha Sunil	A healthy dietary flakes in replacement for cereal oats
9	Regina Hershey N	Innovative Value added products/ agricultural/ food waste
10	Greeshma Girish	Bio protray with effective residual management

**Note: Selected candidates have to submit the detailed proposals and two minutes video as per the notification (attached) on or before 05.02.2024 through Email: [keralabiodiversity@gmail.com](mailto:keralabiodiversity@gmail.com).**

### Aquatic Biodiversity

<b>Sl.No.</b>	<b>Name</b>	<b>Sub Theme</b>
1	Ameera Vappukannu Ashraf	Managing marine debris
2	Haritha D S	Waste to wealth
3	Ayna Lalu	Marine debris
4	Ayna Lalu	One local body one idea concept
5	Vishnu K P	Reducing bycatch
6	Aparna S V	Managing marine debris
7	Aswin L	Waste to wealth
8	Abishek A S	Managing Marine Debris
9	Lavanya Bhat	Managing marine debris
10	Alisha Ashik	Waste to wealth

**Note:** Selected candidates have to submit the detailed proposals and two minutes video as per the notification (attached) on or before 05.02.2024 through Email: [keralabiodiversity@gmail.com](mailto:keralabiodiversity@gmail.com).
