

Expression of Interest (EOI)

Kerala State Biodiversity Board (KSBB)

Project Title: *Conservation of Heritage and Traditional Livestock Breeds of Kerala (2025–2027)*

The Kerala State Biodiversity Board (KSBB) invites **Expressions of Interest (EOI)** from eligible **R&D Institutions, Universities, Veterinary Colleges, NGOs, and Farmer Organisations** to collaborate in the implementation of the project “*Conservation of Heritage and Traditional Livestock Breeds of Kerala (2025–2027)*”.

The project focuses on conserving critically endangered indigenous cattle breeds of Kerala such as *Vilwadri, Vadakara, Cheruvalli, Wayanad, Palakkad, Athanagavadi, Thoomba*, and *Periyar*. It aims to strengthen farmer participation, undertake genetic mapping, and establish sustainable conservation mechanisms through bull farms, semen banks, and farmer support systems.

Submission of EOI:

Interested organisations may submit their EOI with details of institutional expertise, relevant experience, and proposed approach, as per the attached Guidelines, to KSBB on or before **5th November 2025**.

EOIs must be submitted in PDF format via email to keralabiodiversity@gmail.com, with a signed hard copy addressed to:

The Member Secretary

Kerala State Biodiversity Board
Kailasam, T.C. 24/3219, No. 43, Belhaven Gardens, Kowdiar P.O.,
Thiruvananthapuram – 695 003

KSBB reserves the right to shortlist institutions based on merit and project requirements.
